Emergency Transportation - Required

Students are directed to report to the supervising staff in case of an emergency or if they are injured. When required, school authorities will give first aid.

If the school is unable to reach the parents, or authorized persons, as per the personal information sheet, and the situation warrants an ambulance, one will be called. However, parents are responsible for any ambulance expenses. In the absence of parents, an adult will accompany the student from this school if he/she must be transported by ambulance.

We/I understand that we/I will be responsible for any ambulance expenses if the school decides to transport our/my child by ambulance:
