Tuition Fee Payment

Very Important This is not a monthly tuition system.

Tuition fees are for the entire school year (10 months) and fees are expected to be paid for the 10 months. We only offer a monthly payment option for convenience.

Important Paying in Installments

Monthly installments may be made in 10 monthly post-dated cheques that are dated for the 1st of each month and are payable to "Ahlul-Bayt Islamic School".

Installments may also be made in cash and are due on the 1st of each month.

Important Early Departures

Students leaving before end of school year, for unexpected circumstances, must submit a written notice, to the office, 2 months before their departure date. Fees must be paid in full for these 2 months.

Important Late or Unpaid Fees

Late and unpaid tuition and school fees are resulting in financial pressures to the school and Admin staff.

Any balance that remains unpaid for 60 days will result in the suspension of all learning services.

Affected students will be asked to remain home until the balance is fully paid.

If this continues, late accounts may be subject to legal action and collection procedures.
