Communication Channels

The teachers, principal, and school board welcome any constructive feedback and want to hear what the parents have to say. Parents have the following means of communication available to them:

1. Parents are strongly encouraged to work with their child's teachers to address any issues related to their child. Kindly email the teacher to make an appointment and discuss any concerns.
 - o **Please refrain from discussing matters with teachers who are not directly involved with your child or the issue at hand. Kindly communicate directly with the concerned teacher to resolve any concerns.**
 - o **Parents are not allowed to interfere or communicate with any of our ABIS students regardless of what the issue or concern is. Please contact the office or teacher with your concerns.**
2. If the parents' concerns are not resolved, then an appointment can be made with the principal.
3. The principal can also arrange for a board member to assist in addressing the parents' concerns.

Responsible behavior is encouraged when children are given opportunities to make choices and experience consequences.

Consistent with the Ontario Safe Schools Act, a progressive discipline approach is used to allow students opportunities to learn from the choices they make.

With these ideas in mind, the following steps will be taken:

Bullying Policy

The Ministry of Education formally defines bullying as follows:

Bullying is typically a form of repeated, persistent, and aggressive behaviour directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person's body, feelings, self-esteem, or reputation. Bullying occurs in a context where there is a real or perceived power imbalance.

Definition of bullying from Policy/Program Memorandum 144, Ministry of Education

How are schools responding to bullying?

Students who bully others, whether it happens in person or online, can face different consequences.

Ontario's progressive discipline policy allows a principal to choose from a range of options to address the behavior and help the student learn from his or her choices. Some examples include: an apology for a hurtful or disrespectful comment, a review of the expectations for the student or a meeting with parents. Students can also get suspended from school. These rules apply to both elementary and secondary students.

Progressive discipline helps to prevent inappropriate behavior from escalating by promoting positive student behavior and preventing unsafe or inappropriate behaviors at school and school-related activities.

How can I help my child deal with bullying?

By working with the school to help your child or teen handle the bullying problem, you are leading by example and giving a clear message that bullying is wrong.

Regardless of age, you can help by encouraging your child to talk to you about it and by giving the following advice:

- Walk away from the situation.
- Don't hit back, don't talk back, don't reply back.
- Tell an adult whom you trust – a teacher, the principal, or the recess supervisor – about what happened.
- Talk about it with your brothers or sisters or with friends, so that you don't feel you're alone.
- Find a friend to be within the places where you don't feel safe.

Absences / Attendance / Punctuality

The Ontario Ministry of Education monitors daily attendance of students. The school is required to report student attendance to the ministry.

Distractions caused by a late student walking into the classroom are disruptive for the whole class.

- First class starts when the first morning bell rings at 8:15.
- Last class ends when the last afternoon bell rings at 3:10.

Attendance is taken at **8:20 am**. Students not in class at that time will be marked late.

After 9:00 am the **admin** will contact parents of absent students to know why the student is absent.

- If the student is sick, we need to know what the nature of the sickness is.

If your child will be absent:

- If you are aware that your child will be absent or late on a particular day, please **email us at info@abischool.com** or call and leave a message at the school office **613-526-0774** before the morning bell. Otherwise, someone from the school must find out the reason for your child's absence as part of our **Safe School Arrival Program**.
- If a student needs to leave early or arrive late, for medical or urgent reasons, parents should, if possible, notify the office on the day before.
- **Consistent school attendance plays a crucial role in a student's success. Students who miss just two days per month are more likely to fall behind in reading, writing, and math. While some absences are unavoidable, it is essential to recognize the effect each one has on a child's progress.**

Lateness:

- Students must be in class by 8:15 am as learning begins at that time. A child is considered late if he/she arrives at class after 8:20 am. Please ensure that your child is on time for classes so that instruction is not interrupted.
- Students who arrive late in the morning or thereafter must first report to the office. Late arrivals will be tracked, and lateness will be recorded on the student's report card.
- Arriving late hinders student progress, interrupts teachers and peers, and complicates the attendance procedures.
- Parents are not allowed in the classroom at all times.

Late Drop-offs and Early Pickups

You **MUST** report to the office when dropping off after the morning bell to sign your child in, or for picking up before the final bell.

Please note: Effective immediately, the latest time we can accommodate early pick-ups is **2:00**. This policy has been implemented for the safety and well-being of our students.

Ahlul-Bayt Islamic School

abischool.com

- Due to an excess of interruptions during class time: **Students will no longer be called to the office.**
- The **homeroom teacher** and the **office** need to know **ahead of time** that a student will be leaving early. This is needed so that the child can be ready to go at the specified time with as few interruptions to instructional time as possible.

For the benefit and welfare of our students, extended absences from school are strongly discouraged.

If an extended absence becomes necessary, plans should be discussed with the classroom teacher and Principal at least 2 weeks in advance.

Students are responsible to catch up on any work missed during their absence from school or when they are late.

Medication

Should a child require prescription or over-the-counter medication while at school, a Consent Form must be completed, signed, and received at the office. The office will retain the medication and administer it as directed by the physician.

For over-the-counter medication, such as Tylenol, cough medicine, etc., must have the child's name on the ORIGINAL container and a note signed by the parent/guardian containing name of medicine, dosage, and administration instructions.

For LIFE-THREATENING ALLERGIES, parents are asked to sign a release form granting permission for their child's picture and name to be posted in the Staff Room and classroom. This is required for quick identification in the event of an emergency.

Sometimes students carry their own medications (inhaler). The Consent Form for Self Administration MUST be completed, and must indicate that students have been trained in the proper administration.

Please Note: school staff will administer medication ONLY to a student from whom the **COMPLETED** and **SIGNED** medical form is **RECEIVED** in the school office. Your cooperation will ensure that we can meet your child's needs. These forms must be completed at the BEGINNING OF EACH SCHOOL YEAR.

Head Lice

According to the Canadian Paediatric Society (2024), children with head lice should be treated and then attend school as usual. 'No-nit' policies that keep children with head lice or nits after treatment away from school are not necessary because:

- Head lice are common among young children. Many days of school would be missed if children had to stay home.
- People are often wrong when they think a child has head lice. It would be unfortunate to see children missing school when they don't really have lice.
- Making children stay at home will not get rid of head lice. Often, other children in the class have lice but don't have any symptoms. Without treatment, they will continue to spread lice.
- Head lice don't spread disease. They are a nuisance and unpleasant, but they are not dangerous.

Please refer to the following link for more information: [Canadian Paediatric Society](https://www.cps.ca)

Dress Code, Hair and the Uniform

- School uniform is mandatory for all students attending Ahlul-Bayt Islamic School.
- To keep our school clean and safe, students need a pair of **indoor running shoes**, to change into, when they come into the classroom rather than wearing their outdoor shoes. **Two pairs of shoes are necessary at all times. Students with no running shoes will not be allowed to participate in gym activities.**
 - For example, students wearing crocs/ sandals will need to sit out for gym.
- Students should wear Navy Blue Pants. These pants must be free of writing, slogans, stripes, or any decorations.
- Jeans pants are NOT allowed at any time. Graphic T-shirts are NOT permitted.
- Students should not wear slippers in school.
- Please ensure that all personal articles are clearly marked with your child's name; i.e., boots, indoor shoes, running shoes, bags, gym clothing, shirts, blouses, pants, cardigans, coats, lunch kits, etc.

- Students with waivers will go to the gym for dismissal. Those with siblings must inform the relevant teacher that they are picking up their brothers and/or sisters.
- Parents and drivers are requested to follow the established loading routine.
- Parents are kindly asked to respect our staff and the rules and routines that have been carefully established after much discussion. With your patience and support, we can ensure the safety of all our students.

Parents, please refrain from discussing your child's progress with their teacher(s) during drop-off and pick-up times. To discuss any concerns or questions, kindly reach out to teachers via email to schedule a meeting.

Play Care

All students in school after **3:30** will be taken to the front office where they will be supervised by a teacher until **4:00**. Parents are required to pay for this service, per family, for a **fee of \$1/ minute**. Someone (e.g., a family member or relative) must be sent to pick-up the student no later than **4:00**.

Laptop Computers

- Students are not allowed to bring their own laptops to school. Students are provided with Chromebooks for research and learning purposes which are faster, safer, and more practical devices.
- Chromebooks will be used for educational purposes ONLY. No games, downloads, music, or headphones are allowed.
- Violation or inappropriate use of Chromebooks can cause the student to lose the privilege of using a Chromebook at school.

Nutrition and Lunch

ABIS recognizes that children must be well fed if they are to reach their full potential.

We ask parents to support our healthy eating program by sending healthy snacks and lunches that follow Canada's Food Guide. **All staff members will monitor snacks and lunches daily.**

Let's make "good food choices" a community effort.

- Please note that Ahlul-Bayt Islamic School is a **nut and gelatin free** school.
- Please do not send any food that contains nuts or nut byproducts. **We do have students with severe nut allergies.**
- The following snacks are **NOT** allowed: soft drinks, chocolate bars, candy (of any kind), cookies, and cakes with frosting. **Exceptions will be made on five occasions only: the Birth of Prophet Mohammad (SAW), the Mawlid of Sayyedah Fatima Al Zahraa (AS), the Mawlid of Ameer-ul-Mo'mineen Imam Ali (AS), Mab'ath Al Nabawi, and the Mawaleed of Shabaaan (AS).** Please check with your child's teacher before sending treats to ensure they comply with the school's policy.
- Students can bring 'homemade' cakes and muffins.

Student Birthdays

ABIS does **NOT** allow celebrating birthday parties at school.

Every month, however, teachers in the JK and SK classes **ONLY** will recognize students' birthdays for that specific month, and the school will provide cupcakes so that birthday celebrations can be held in the classroom.

Visitors to the School

Teachers are busy supervising their students or with other duties during learning hours between 8:15 and 3:10.

The presence of visiting adults in the classroom is distracting to the students and can violate the teacher-student-parent confidentiality for other students.

- No parents or visitors are allowed in the classroom during learning hours.
- All visitors to the school during learning hours, including parents, must first report to the office.
- Please do not walk into the child's classroom unannounced.

Appointments to see Teachers:

Teachers are not able to discuss your child's progress between classes, in the hallway, or at the end of the day as they are responsible for the supervision of students. Please make an appointment through the Office Administrator should you wish to speak to your child's teacher.

Items and Articles Prohibited at School

Students are **NOT** allowed to bring any articles to school that are not related to the educational experience.

Items that are deemed to be unsafe OR considered to be a distraction by the school are also prohibited.

If such items are impounded, they will **ONLY** be returned to the parent OR at the request of the parents OR at the discretion of the administration. Items may be picked up in the office. The school will not be responsible for items left after 30 days.

- **Valuables and jewelry should NOT be brought to school.**
- **Toys, books (e.g., novels/comics), magazines, and trading cards should NOT be brought to school.**
- **Personal electronics are NOT allowed in school.** That includes ALL digital/electronic devices.

- **Students in grades 9-10 may bring their cellphones to school, but they need to drop them off at the principal's office before they go to class by 8:00 am and they can pick them up at 3:10 pm at dismissal.**

- Cell phones of violating students will be taken away by the principal until end-of-day.
- Three repeats of such violation will result in the confiscation of cell phones. The principal decides the severity of the violation and the extent of the consequences.
