## **Tuition & School Fees 2025 - 2026**

Our institution is committed to providing equal opportunities to all students, regardless of their citizenship status. We believe that every student deserves access to quality education, and we strive to make that possible by keeping our tuition fees affordable and transparent. We ensure that every cent collected from parents is used to cover the cost of educating our students.

It's recommended to make all payment by e-transfer to [etransfer@abischool.com](mailto:etransfer@abischool.com), password: **Ottawa**

### **Registration Fees**

#### **Notice:**

*Although the payment of registration fees is a crucial initial step, it does not automatically ensure student registration or a guaranteed spot at the school. Upon confirmation of the admission receipt, enrollment becomes contingent upon a thorough assessment and consideration of various factors by the school.*
